****

Based on the recommendations of the Director General, Vigilance & Enforcement in Vigilance Report 1st read above on the allegations of irregularities in execution of work "Road work form Nellore – Podalakuru road to Griddalur (V), Sydapuram (M), SPSR Nellore District", Government, vide reference 2nd read above have accorded sanction under sub-clause (1) of clause (b) of sub-rule (2) of Rule 9 of A.P. Revised Pension Rules, 1980 to initiate departmental proceedings against Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) Nellore (Retd.) among two (2) others.

2. Accordingly, in the reference 3rd read above, Government framed following article of charge against Sri S.Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.) Nellore under Rule 20 of APCS (CC&A) Rules, 1991 with a direction to submit his written statement of defense:-

Charge:That the said Sri S.Damodara Reddy, the then Executive Engineer (PR), PIU Nellore & Superintending Engineer, PR (FAC), (Retd.) Nellore has committed irregularities in execution of "Road work from Nellore – Podalakuru road to Griddalur (V), Sydapuram (M), Nellore District" under NABARD RIDF tranche XXI and (i) Super check measured the inferior quality of BT work i.e., SDBC in 2nd and 4th Km.

3. In the reference 4th read above, the charged officer has submitted his written statement of defense and the same has been examined and found not satisfactory and decided to conduct regular inquiry into the matter. Accordingly in the reference 5th read above, Government appointed the Superintending Engineer, PR Circle, Nellore, SPSR Nellore District as Inquiring Authority under Rule 20(2) of A.P.C.S (CC&A) Rules, 1991 to conduct inquiry into the charges framed against the charged officer Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC)(Retd.) Nellore and two other co-charged officers involved in the case.

4. In the reference 6th read above, the Engineer-in-Chief, Panchayat Raj, has furnished inquiry report of the Superintending Engineer, Panchayat Raj, Nellore & Inquiring Authority, dt.31.01.2022 to the Government for taking necessary action, wherein the Inquiring authority has held that charge framed against Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.) Nellore and 2 others as "not held proved".

5. In the reference 7th read above, Government have furnished the copy of the inquiry report, dt.31.01.2022 together with the following disagreement factors as per Rule 21(2) of APCS (CC&A) Rules, 1991 duly disagreeing with the findings of Inquiring Authority and treating the same as "held proved" to the charged officer, Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.), Nellore with a direction to submit his representation if any, within (10) days for taking further action in the matter.

> "that the Inquiring Authority, *while arriving at his findings, should discuss and assess the evidence on record and give reasons for his findings and findings should be based on the evidence adduced during the inquiry and brought on record. He should not take any extraneous material, not forming part of the proceedings into consideration. In this case, it is observed that the I.A has not taken the findings of V&E into cognizance and ordered for re-verification of work and made conducted tests with V&QC staff beyond his competency and considering the latest test results, satisfied and held the charges as not proved against all the COs. Therefore, the findings of I.A that the charges framed against the COs are not acceptable" and Government treat the same as held proved".*

6. In the reference 8th read above, the Engineer-in-Chief, Panchayat Raj among others has furnished the representation of Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.), Nellore, dt.21.07.2023, wherein the charged officer has stated that the inquiry officer has given inquiry report based on the field re-inspection by the Executive Engineer, Panchayat Raj, Quality Control, Nellore

and presently the road condition is good. He was retired from service and facing mental agony. He has requested to consider the inquiry report and exonerate him from the charge leveled against him.

7. The Government have examined the matter and the observe that the representation of the charged officer, Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.), Nellore is not found convincing for the disagreement factors communicated to him. The Vigilance & Enforcement Department have verified the work in question and found deficiencies in quality of the work and recommended for recovery from the Agency which voluminously speaks that Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.), Nellore has carried out the substandard execution of the work in question. Therefore, the findings of IA in conducting re-verification of work and based on which the contention of the charged officer to exonerate from the charge is not tenable.

8. Accordingly, Government after careful examination of the matter, have taken a provisional decision to impose a penalty of withholding 8% of pension for a period of two (2) years under Rule 9 of A.P. Revised Pension Rules, 1980 against Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.), Nellore. Accordingly, in the reference 9th read above, a show-cause notice was communicated to Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.), Nellore for his representation if any, on the above provisional decision of the Government.

9. In the reference 10th read above, the Engineer-in-Chief, Panchayat Raj, has forwarded the representation, dated.10.01.2025 of Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.), Nellore, wherein the CO has not put forth any new grounds and reiterated the earlier stand in his representation.

10. After careful examination the matter, Government hereby impose a penalty of withholding of (eight) 8% of pension for a period of (2) years against the charged officer, Sri S. Damodara Reddy, the then Executive Engineer (PR), PIU, Nellore and Superintending Engineer, PR (FAC) (Retd.), Nellore under Rule 9 of A.P Revised Pension Rules, 1980, in the matter.

11. The Engineer-in-Chief, Panchayat Raj, A.P., Vijayawada, is requested to take further action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

SHASHI BHUSHAN KUMAR
PRINCIPAL SECRETARY TO GOVERNMENT
